Pediatrician – Private Practice

Description

Pediatrician – Private Practice

Northern Grand Rapids Area | In-Person | Full-Time

Job Overview

A growing private pediatric practice in the northern Grand Rapids, Michigan area is seeking a dedicated and compassionate **Pediatrician** to join its team. This is an excellent opportunity for a physician who is passionate about providing high-quality, comprehensive care to infants, children, and adolescents in a supportive outpatient setting.

The ideal candidate will help children thrive through preventive care, accurate diagnosis, thoughtful treatment planning, and clear communication with families. The practice values relationship-based medicine, clinical excellence, and a warm, family-centered approach to pediatric care.

This position offers a strong work-life balance, no hospital duties, and the opportunity to collaborate with trusted regional pediatric resources, including the local **Children's Hospital**.

Responsibilities

The Pediatrician will provide comprehensive outpatient pediatric care, including but not limited to:

- Conducting thorough medical evaluations, physical examinations, and health assessments for pediatric patients.
- Diagnosing, treating, and managing acute and chronic pediatric conditions.
- Providing preventive care, including immunizations, growth monitoring, developmental screenings, and anticipatory guidance.
- Supporting healthy growth and development from infancy through adolescence.
- Educating parents and caregivers on treatment plans, wellness strategies, nutrition, safety, and developmental milestones.
- Documenting patient encounters accurately using **Office Practicum EHR**.
- Maintaining complete and compliant medical records in accordance with HIPAA regulations.
- Collaborating with local pediatric hospitalists and specialists when higher-level care is needed.
- Coordinating with the local **Children's Hospital** for admissions, newborn delivery support, and specialty care referrals.

Schedule and Call

Hiring organization

Caris Partners, Inc.

\$ 175,000 - \$ 275,000

- **Monday through Friday:** 8:00 AM – 5:00 PM
- **Walk-in clinic:** 8:00 AM – 9:00 AM
- **Call schedule:** 1:3
- **No hospital duties**
 - No admissions
 - No newborn service
 - Admissions and newborn care are managed by local pediatric hospitalists
- Phone nurse triage service handles approximately **99% of patient calls**
- Saturday clinic runs from **Labor Day through Memorial Day**
 - Pediatrician on call covers a **2-hour Saturday walk-in clinic**

Qualifications

- Medical degree from an accredited medical school.
- Board certification or board eligibility in Pediatrics.
- Active or eligible Michigan medical license.
- Strong clinical judgment and commitment to evidence-based pediatric care.
- Excellent communication skills with children, adolescents, parents, and caregivers.
- Ability to work collaboratively in a private practice environment.
- Experience with **Office Practicum EHR** is preferred but not required.
- Commitment to compassionate, family-centered care.

Benefits

The practice offers a competitive benefits package, including:

- Health insurance
- Health savings account
- Malpractice insurance
- Paid time off
- Retirement plan

Work Location

In person

Northern Grand Rapids / Greater Grand Rapids, MI area

Why Join This Practice?

This is a meaningful opportunity to join a respected private pediatric practice where physicians can build lasting relationships with families, provide continuity of care, and work in a supportive clinical environment. With no hospital responsibilities, strong nurse triage support, and access to leading pediatric specialists through the local **Children's Hospital**, this role is well-suited for a Pediatrician seeking both professional fulfillment and a balanced schedule.
