General Dentist / Associate Dentist

Description

Our client is an established large private PPO / Fee for Service dental practice in the Augusta, Georgia area with an active patient base, assertive marketing, long-term support staff, modern operatories and dental technology. The practice desires an experienced General Dentist in all aspects of restorative general dentistry found in a typical crown and bridge dental office. The practice is focused on patient care and customer service operating Monday through Saturday. There are six other general dentists and specialists including board-certified periodontists and prosthodontists.

Our goal is to match candidates with the practice ownership in culture, service and philosophy. This practice is one you should consider!

The desired candidate should be a team player, driven to succeed and focused on delivering 5-Star care to their patients.

The client offers a competitive compensation package:

- Clinical Autonomy
- High-Income potential
- Percentage based compensation of 34%-38%, depending on experience.
No Lab Fees
- Dental Conference Attendance
- Potential Sign-on Bonus

Your requirements should include:

- Valid State License
- DDS or DMD degree
- Licensure in the State of Georgia prior to starting
- Willingness to live within one hour of Augusta, Georgia
- For more information, please submit your CV. We will contact you to schedule a confidential phone or video conference.
