### Job Location

Atlanta, Georgia

Long-standing pediatric ear, nose, and throat practice in the heart of metro Atlanta with multiple locations is expanding and looking for a well-trained fellowship-trained Pediatric Otolaryngologist or Pediatric-focused Otolaryngologist.

We have a talented team of tertiary fellowship-trained Otolaryngologists, as well as a large support team of advanced practice professionals and audiologists. Our pediatric team of professionals are motivated and dedicated to the mission of making children first. We serve thousands of tertiary and general Pediatric Otolaryngology patients and their families.

In addition to the private clinic, physicians have many resources at the largest pediatric hospital in the State of Georgia, including opportunities to join multidisciplinary clinics and research opportunities. Patients are cared for in the pediatric hospital setting and outpatient surgery centers. The floor, operating rooms, and intensive care units are staffed with specially trained physicians and nurses who provide comprehensive, compassionate care for our patients.
